

Judicial Administration, Innovation and AI Developments and Opportunities

Tuesday, April 30, 2024

6:00 am EDT / 15:00 UTC+ 5 / 12:00 pm CET / 7:00 am AST

We are pleased to invite you to an online conference organised by IACA in collaboration with the Judicial System of the Republic of Kazakhstan and the World Bank.

The conference will focus on strategies, reforms, and initiatives related to professional judicial administration, AI and dispute resolution in courts, and the opportunities presented by generative AI and Online Dispute Resolution (ODR). The speakers will also discuss international cooperation developments, achievements and challenges in this field.

Following the presentations, there will be a Q&A session with the audience.
