Artificial Intelligence in the Courts: Opportunities and Challenges

Tuesday, September 10, 2024
12:00 pm ET / 5:00 pm GMT+2 / 1:00 pm AST

We are pleased to invite you to an online conference organised by IACA in collaboration with the National Association for Court Management
The conference will focus on Artificial Intelligence Developments and related benefits for courts and access to justice. There will also take place a discussion about the need for policy "guardrails", ethical issues, and potential problems created by inappropriate uses of technology.
Following the presentations, there will be a Q&A session with the audience.
